**ROBO FORCE®
VEHICLE ASSORTMENT**
Assortment No. 48076
*Air Activated Robot Defender and
Attack Vehicles!*

These robot action vehicles feature a unique air activation system: insert the special "Air Bot" activator into the nozzle on the vehicle, squeeze, and the vehicle starts to move! Air is the secret. The "Air Bot" pumps up a balloon that makes the motor start and the periscope rise, indicating fuel status. These vehicles accept all

Robo Force® Action Robot Figures (not included). 2 "AA" batteries required (not included). Complete with full color comic book/cross-sell brochure, Robo Force fan club offer and more.

Assortment consists of the following:

ROBO FORCE® ROBOCRUISER™
Air Activated Robot Defender Vehicle

This "good guy" robot action vehicle features a working robot transport lift that picks up robots, plus laser swivel cannons.
