Air-Powered Gunner Station fires when ready!

5550 Air Raiders™ Man-O-War

Ages: 5 and up

PK: 4

The Man-O-War is on the prowl! It's the heavily-armed flagship of the Air Raiders fleet and the mobile headquarters for Admiral Fury, the leader of the heroic Air Raiders.

- With floating, air-powered surveillance pod!
- Features 4 air launch mechanisms! Pump up the built-in storage tank, turn the selector valve and fire!
- Launch missiles or a grappling hook from the 2 side-mounted cannons.
- Flip down the ramp and launch the air-powered scout car (holds 1 figure).
- Shoot air-powered missiles from the detachable remote gunner station.
- Front opens to form a boarding ramp!
- With admiral's cockpit, crew's quarters, rotating turbine, swivel gun turret, brig, opening engine covers and 4 rotating cannons.
- Manual elevator tube transports figures aboard the ship.
- Comes with Air Raiders admiral and 7 soldiers. (Room for 35 figures.)
- All remote air hose cannons are interchangeable with other plunger-activated and storage tank Air Raiders products.
- Operates on 3 "C" alkaline batteries (sold separately).
