

The Transformers® Deluxe Insecticon Assortment

These evil Insecticons descend upon unsuspecting humans to confront the Autobot defenders and wreak havoc on earth. Swing out the wings, pull back the legs, fold down the head...each provides a challenging transformation from insect to robot and back. The Deluxe Insecticons are packaged with attachable weapons, character bio, Tech Specs chart and decoder. The special liquid crystal logo assures their proof of authenticity. Assortment includes three each of the four Deluxe Insecticons.
