

5560 Tyrants of Wind™ Air Refinery

Ages: 5 and up PK: 4
The evil emperor controls the air! He uses his immense power to enslave the people of Airlandia and only his government-sanctioned air refinery is allowed to produce breathable and galvanized air. To sustain his power, this heavily-armed fortress is disguised as a giant rock formation and equipped with a devastating array of high-tech weapons.

PK: 4

- With 4 air-launch mechanisms! Pump up the storage tank, turn the selector valve and fire!
- Rock-like wall flips down to reveal 4 individually-launched, air-powered rockets.
- Air blaster can blow over Air Raiders soldiers.
- Menacing air-powered remote rocket launcher!
- Includes air-launched Emperor's escape car.
- Lots of hands-on play with four-level command station, 8 removable and positionable guns, a three-tier tower that raises and lowers and a manual air-transport tube!
- All figures, missiles and remote air cannon hoses are interchangeable with all Air Raiders products.
- Comes with the evil emperor, Tyrants general and 8 soldiers. (Room for 50 figures.)
