

**#6447 OMNI FORCE
ATTACK HELICOPTER
WITH MARAUDER JEEP^{**}**

A revolutionary concept in powered vehicles — attack and rescue missions at the squeeze of a trigger.

The new Attack Helicopter with its Marauder Jeep^{**} hidden beneath, can taxi its own way across a landing zone with the rotor really spinning. Grab the rear pistol grip and pretend you're flying on an attack mission. When you reach the "enemy," swoop down, squeeze the trigger, and the Marauder Jeep^{**} releases and "attacks the enemy."

And when the battle gets tough, swoop back down and rescue your OMNI vehicle from the action. Attack Helicopter comes with Marauder Jeep^{**} and also works with all other OMNI vehicles (sold separately).
