

# MASTERS OF THE UNIVERSE™

## DELUXE SETS

Six deluxe sets! Each one pairs a dynamic action figure with an exciting combat accessory. And what a winning combination! **Teela** pairs up with **Zoar**, the fighting falcon, to battle with **Skeletor** and **Screech**, the barbarian bird. Both birds feature wings that flap, snap-on bomb pack and perch. **He-Man** unleashes the fighting force and **Battle Cat**, the fighting tiger, on **Skeletor** and his savage cat, **Panther**. Both cats feature removable armour. Panther has realistic fur. **He-Man** and **Wind Raider** Deluxe Set features our heroic warrior ready for an aerial assault on his enemies. **Road Ripper** propels **He-Man** into action by fast fly-wheel power. Just pull on the ripcord and stand back! Deluxe sets—a great gift idea or first purchase item.

Gift sets also available of 3 figures in window box presentation.
