

ROCK & BUGS & THINGS™

Beware, Human!

You've never experienced the horror of battle like this before. Rock & Bugs & Things™, the ultimate warriors, have been lurking in the dark places down through the ages.

Now they're taking a shot at the daytime, each with its own hidden weapons only you can control.

Their enemies are anything that crosses their paths. The creepy little Mordles™ on which they feed are the spoils of battle for which they ceaselessly struggle.

They're on the move and nothing can stop them!
