

Thumb wheel spins propeller for "jet" propulsion

6058 Figure included.

NEW
6058 COBRA Water Moccasin

The incredibly fast Water Moccasin cruises the swamps with ease. Armed with a machine gun on a rotating turret and a surface torpedo, it strikes without warning. Adjustable directional vanes provide for high-speed maneuvering. Features removable roof panel, engine cover and weapon storage bin covers. It can transport up to four COBRA figures. Includes COBRA pilot. Other figures sold separately.
