POWERXTREME

**NEW!!**

## Man and Machine!

It is the 21st Century on planet Earth. A top military program is stolen from the world master computer. A program that holds the secret to the successful fusing together of man and machine.

World leaders meet and discover that the notorious *DR. TERROR* and evil sidekick, *HACKER*, have escaped and have in their possession the top secret computer program! A security alert is sounded worldwide, and the only weapon powerful enough to stop the evil duo is revealed — the *CENTURIONS*! A supreme unit of three fighting men equipped with high capability *EXO-FRAMES*. They are: *JAKE ROCKWELL*, Land Operations Expert, *ACE MCCLOUD*, Air Operations Expert, and *MAX RAY*, Sea Operations Expert. Men with powerful *EXO-FRAMES* and advanced Assault Weapon Systems... weapon systems capable of honing in on their coordinates and attaching right to them, making them the Ultimate Fighting Machines! Together they will battle the evil *DR. TERROR*, and his army of deadly *DOOM DRONES* in a mission to retrieve the secret *EXO-FRAME* program before *DR. TERROR* applies it for his own evil ambition... control of the world!

Kids everywhere will want to share in the adventure and suspense of the *CENTURIONS*' mission!

Imagine the excitement of converting mere mortals into futuristic sophisticated weapons! Each one equipped for battle with futuristic lasers, scanners and other high-powered defense devices to provide kids with hours of pretend fun!
