

**#1490 ADVANCED DUNGEONS & DRAGONS™*
"FORTRESS OF FANGS"™ PLAYSET**

Impressive in size and menacing in look, and just the beginning. This multi-level dungeon is packed with exciting adventure. There are perilous obstacles at every level — in every chamber — through every tunnel, staircase and corridor. Obstacles to heroic quests for the hidden treasure! The upper dungeon level is reached by climbing the "stone" staircase with falling skull hatchet or scaling the secret ladder. Once there, enter the "Torture Chamber" with sliding spiked wall and hidden escape door. Other features include "Weapons Room" containing a deadly arsenal of spears and swords, and "Evil Throne Room" with trap floor, flying dragon throne and treasure slide. The subterranean level houses the glimmering treasure, but you must make it through the "Sea of Fire" and unlock the stalagmite barriers to finally save the treasure!

Fortress of Fangs Playset will fulfill the fantasies of millions of children as they use all their ADVANCED DUNGEONS & DRAGONS™ action figures, mounts, dragons and monsters to unlock the deep, dark secrets of the "Fortress of Fangs."
