

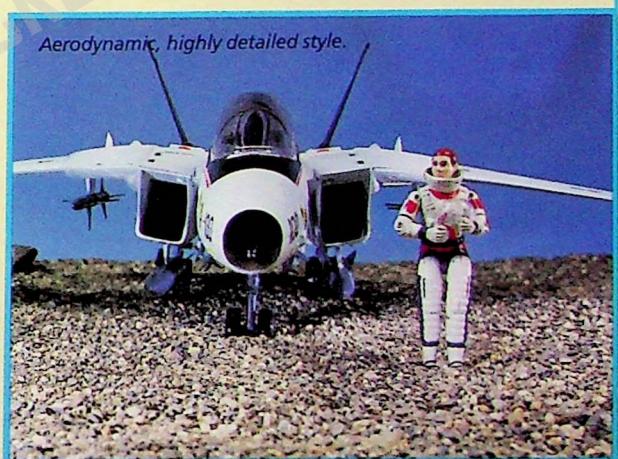

Figure included. 6010

Wheels retract as wings sweep back for simulated flight!

Aerodynamic, highly detailed style.

### 6010 Combat Jet: SkyStriker XP-14F

SkyStriker, the fighter jet, carries out G.I. Joe's\* most dangerous missions! Its fully armed with 2 Sidewinder, 2 Sparrow, and 2 Phoenix removable missiles. The wings sweep in and out as the wheels raise and lower for realistic action. G.I. Joe soldiers can parachute to safety from the two removable ejection seats. The XP-14F is based on the most sophisticated aircraft design. Includes one working parachute and G.I. Joe jet pilot ACE.
