

Fresh from the sewer!

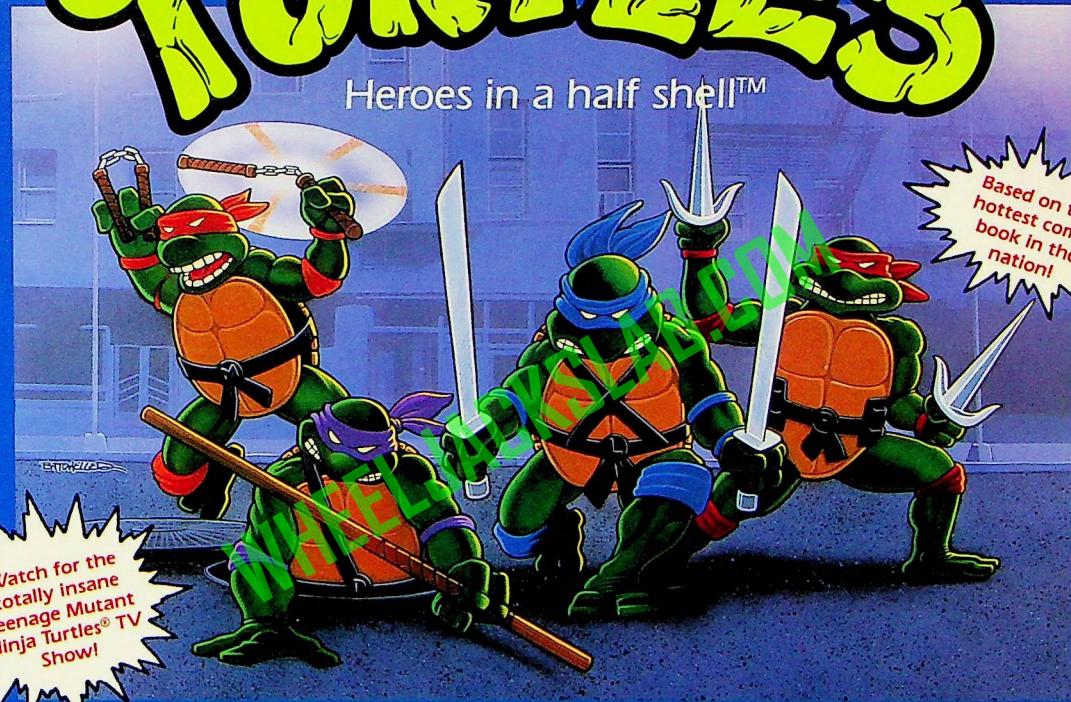

The weirdest, wackiest, most off the wall action figure line ever!

Introducing . . .

TEENAGE MUTANT NINJA

TURTLES™

Heroes in a half shell™

**OUT OF THE SEWER AND INTO THE STREET
COMES THE SALES OPPORTUNITY OF THE DECADE . . .**

. . . With the only action figure line that is totally nuts! A wacky combination of high adventure, fantasy and spoof! Featuring green, teen turtle heroes and bizarre villains with a point of difference — they make fun of other action/adventure lines!

Teenage Mutant Ninja Turtles figures and accessories are priced especially for collecting and are designed specifically for fun action play. These original party reptiles love to have a good time!

Teenage Mutant Ninja Turtles are supported by an action-packed comedy-adventure TV show that brings the weirdness to life throughout 1988. And kids will really be shell-shocked when they experience the Turtle's wild and crazy \$5 million TV advertising campaign!

Teenage Mutant Ninja Turtles . . . the best things to come from sewers in years!
