Snow Cat

Snow Cat's quest is to expose COBRA's arctic strongholds! This powerful, half track mobilization unit plows through towering glaciers and savages frigid temperatures. Snow-covered canopy opens so two Joes can ride inside. Includes specialized heat seeking ski mounted torpedoes, full missile launcher and tow hook. Removable missile rack rotates and pivots. Includes driver FROSTBITE and carries up to ten figures. It's the most sophisticated snow vehicle in the G.I. Joe® arsenal!
