TURTLE PARTY WAGON™

The evil Foot Clan will know the party's over when the Turtles roll into town with their shell-topped battle wagon. Engage the spring-loaded "Tenderizer" side weapon to soften the most callous Foot soldier. Drop wacko itchy powder and laughing gas bombs! Launch sneak attacks with the surprise front panel that drops down to release Turtle figures and bombs!

This "Turtlized" party van also features Foot finder radar that converts to anti-Foot neutralizer, CB antennas that convert into machine guns, super speed spoiler, armored windows, super racing slicks, 500 Turtlepower engine and deflector shell hubs. Fits six figures comfortably and comes with a hilarious Turtle jokebook! Ages 4 and up. Figures not included.
