

# TEENAGE MUTANT NINJA TURTLES

## TURTLE TROOPER™

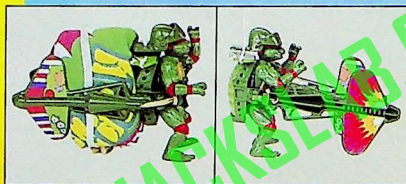

No one would expect an airborne Turtle. . . which means you'll always have the upper hand on the evil Foot Clan when this crazy parachute toy falls from the rooftops. Features a real working plastic parachute that opens to a gigantic 22"!

Trooper's unique delay system opens the chute at maximum height while it's speed fins automatically convert to blasters! This low end Turtle accessory also features an armored backpack, official Turtle pennant, Turtle control handles, and adjustable helmet and visor. Fits all evil and good Turtle figures and comes with an incredibly funny Turtle jokebook. Ages 4 and up. Figures sold separately.
