#6820 WATER DIVERS™ ASST.
 NOW WITH EVEREADY® "AA" ENERGIZER®
 BATTERY INCLUDED WITH EACH VEHICLE

Six updated Water Divers designed to travel in and under water. Each has working headlights, stunt side wheelies and a "AA" battery to power it all. Assortment includes: Mako, Piranha, Cuda, Hammer Head, Man 'O War, Killer Whale

#6825 WATER DIVERS™ HELICOPTER WITH VEHICLE

New addition to a line that made it big in '84. Rescue chopper's rotor is powered by the vehicle. Helicopter picks up and launches the vehicle which, when released, will dive into water and keep on going. Chopper can also float on water with its special pontoons. (Requires 1 "AA" battery)
