**THE MYSTERY. THE MAGIC. THE GOOD.  
THE EVIL. ADVANCED DUNGEONS &  
DRAGONS™\* ACTION FIGURES.**

For years they've lived in the minds of players of the classic **ADVANCED DUNGEONS & DRAGONS™\*** fantasy adventure game by TSR Hobbies, Inc. To millions of kids... they're the real thing. And now their magic comes alive in full glory with this spectacular line of **ADVANCED DUNGEONS & DRAGONS™\*** Action Figures.

One of the broadest and best executed line introductions in history — including action figures, mounts, monsters, dragons and a dungeon playset... all reproduced in the same scale, for total fantasy adventure.

The most potent license to come along in years — and the masters of magic — L.J.N., have what it takes to make this category explode in 1983.
