

# THUNDERCATS™

**#3500 THUNDERCATS™ GOOD ACTION FIGURE ASST**

Four of the leading good characters, each with a unique personality. All with Battle-matic arms that move at the push of a secret lever, plus weapons/accessories. The leader, Lion-O, also features a sword, claw shield and cat eyes (requiring 1 "AAA" battery, not included) which light up with a special power ring. Assortment contains:

- LION-O—The leader of the Thundercats who possesses the magical Sword of Omen.
- CHEETARA—Has the ability of super speed, and when in action, she can only be seen as a streak across the land.
- PANTHRO—Possesses exceptional acrobatic and martial arts skills, making him an excellent fighter.
- TYGRA—Is the master of camouflage, capable of blending into any background.

**#3535 THUNDERCATS™ CREATURE ASSORTMENT**

Two large ferocious creatures who roam the world of the Thundercats and who are equally feared by both the Mutants and the Thundercats. Each creature is movable and can strike different menacing poses.

Assortment contains: Astral—Moat Monster  
Lizard—Forest Monster
