

gun tower, rear and front control/gunnery areas for three figures. Pack 6.

3540 THUNDERCATS THUNDERTANK™

The Thundercats' most powerful vehicle. It plays an important role in their continuing power struggle with Mumm-ra and the Mutants. Features ribbed rubber tank treads and numerous hidden weapons. Instantly springs open for battle

revealing pivoting guns under its claws and powerful cat's jaws. Rear gunnery section magically opens to reveal another Thundercat figure at the controls of the moveable laser guns. Thundertank holds two figures. Pack 6.
