**6072 Skimobile:  
Polar Battle Bear**

Neither ice . . . nor snow . . . nor blinding sleet can stop the Polar Battle Bear's fierce barrage with its two "Rampage" missiles and twin laser blasters! Free-rolling wheels and turning skis provide easy movement. Carries up to three figures.

**NEW  
6079 Sky Hawk**

G.I. Joe's dynamic Sky Hawk is an incredible fighting machine. Dual 20mm cannons rotate 15° to each side. Two removable "Sidewinder" missiles and twin recessed 30mm Gatling cannons provide additional firepower.

Twin turbo-fan jet engines rotate 90° for critical take-off. Canopy opens. Two figures can stand on the skis.

**NEW  
6070 COBRA A.S.P.  
(Assault System Pod)**

The evil COBRA is a real match for G.I. Joe when fighting from this fearful twin-barreled weapon! Its gun barrels elevate and the cockpit rotates to follow G.I. Joe's every move. The wheels fold up and its legs fold down to ready it for firing position. The tow leg enables the A.S.P. to be pulled down to ready it for firing position. The tow leg enables the A.S.P. to be pulled by COBRA vehicles equipped with tow hooks.
