### 6025 Assault Copter: Dragonfly XH-1

The Dragonfly XH-1 is loaded with weapons for defense! It's got four removable "Scorpion" rockets, two removable "Dragonfire" missiles, and a chain gun cannon. The rotating turret in front supports a Gatling gun and a flame thrower. A spring-loaded switch activates the rotor, and the thumbwheel on the underside lowers and raises the winch. Two G.I. Joe® figures can sit in the cockpit. Includes copter pilot WILD BILL.
