The Transformers® Autobot Car Assortment

5765 & 5766

Six new Autobot cars and trucks add excitement to these assortments of highly-styled vehicles. They're powerful, fast and intelligent. Pull out the wheels, open the trunk, swing out the doors and they become awesome robot warriors!

Each Autobot comes with attachable weapons, character bio, Tech Specs chart and decoder. Includes special liquid crystal logo for proof of authenticity.
