

## 5775 The Transformers® Predacon Assortment

Ages: 6 and up

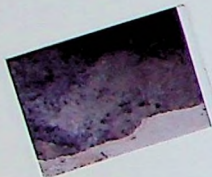

PK: 12

Wild animals stalk the Autobots®! These vicious creatures tear through the Autobot ranks.

Assortment also includes the Sharkticon, Gnaw. He's a metal-eating monster!

- Each Predacon transforms from animal to robot and back.
- Combine them to create the 5-robot monster, Predaking!
- Gnaw transforms from monster to robot and back again.
- Sharkticon and the Predacons are packaged individually and come with their own weapons, bio card, Tech Specs chart and decoder.
- Assortment includes 2 of each style.

## 5807 The Transformers® Autobot® Sky Lynx (Motorized Space Shuttle)

Ages: 6 and up

PK:

Sky Lynx rockets through space, defending the universe against the evil Decepticons®.

- This super-sized robot is a space shuttle and a heavy-duty motorized transporter.
- The shuttle transforms into an Autobot bird and the free-rolling, battery-operated transporter changes into a walking lynx.
- Combine the bird and lynx to make a sensational walking transformation.
- With character bio, Tech Specs chart and decoder.

TV

Requires two "AA" alkaline batteries (sold separately).
