

The Transformers® Decepticon Mini-Cassette Assortment

5730

These evil Decepticons fool you as cassettes, but pull up the legs, swing out the arms, flip out the head...they convert into a robot, jaguar or condor! Rub the special liquid crystal logo—it changes color—you've got a true Transformer.

The assortment includes 12 each of two different sets of mini-cassettes (two mini-cassettes on a card). One card includes Ravage and Rumble. The other includes Laserbeak and Frenzy. All include attachable weapons. Two bio cards and two Tech Specs charts are printed on the back of each blister card.

The Transformers® Decepticon Communicator

5790

Soundwave serves as the Decepticons' communications relay station. He disguises himself as a cassette recorder, then transforms into an awesome robot! His sidekick, Buzzsaw, pops out from the recorder as a mini cassette and transforms into a golden condor! This evil Communicator is packaged with attachable weapons, bio card, Tech Specs chart and decoder. The special liquid crystal logo proves he's a true Transformer.
