**The Transformers®
Autobot Air Guardian**

5797

Jetfire, the swiftest of all the Autobots, zooms down over the evil Decepticons and quickly transforms into a fully articulated robot. This fierce air guardian sincerely believes that victory over the Decepticons can only come through advancements in Autobot technology. He features spring-action landing gear, ratchet-action arms, legs and wings, and 9 pieces of removable battle armor. The secret liquid crystal logo proves that it is a "true" Transformer! Jetfire is packaged as a super jet with attachable weapons, bio card, Tech Specs chart and decoder.
