AIR Raiders

THE POWER IS IN THE AIR

Imagine a world where everything runs on air . . . a world where air is more precious than gold. Enter the world of Airlandia, where the evil Tyrants of Wind have seized control and forced everyone to pay tribute to their corrupt and iron-fisted monarchy.

Only the Air Raiders, a group of valiant rebels, defy the villainous Tyrants of Wind and are determined to make air free for everyone on Airlandia. With a convoy of high-powered air vehicles, these brave champions of freedom battle the Tyrants, raiding air refineries and defending the rights of all Airlandians.
