FLIGHT POD—COBRA's new "jet-propelled" Flight Pod can be pre-programmed for special unmanned night attack flight patterns. Flight Pod is highly detailed with a computer console, opening canopy, movable rudders and is now available in a new color. Includes removable missiles, pivoting machine gun and aerial mine with removable panel. Vehicle holds one COBRA enemy.
C.L.A.W.—(Covert Light Aerial Weapon) Highly maneuverable, one-man flying weapon, COBRA's battle wing includes machine gun, "Flashfire" bomb and two warhead rockets.
S.N.A.K.E.—(System: Neutralizer-Armed Kloaking Equipment) This enemy suit neutralizes COBRA and brainwashes G.I. Joe. Snaps over figures, has movable arms and legs. Includes four weapons.
Assortment includes 24 Flight Pods, 8 C.L.A.W. and 4 S.N.A.K.E. Figures sold separately.
