6027 COBRA Rattler (Ground Attack Jet)

The Rattler is COBRA's most efficient, super-destructive, aerial attack plane. Its sole purpose . . . ground attack on G.I. Joe's outposts! Wings rotate 90° for simulated vertical take-off and landing (V.T.O.L.). Three sets of combat rockets and six cluster bombs smash tanks and blow up bridges. Elevating dual 20mm cannons and rotating "Kerry" cannon supplement its winged explosives. Two canopies open to allow figures easy access to each highly-detailed cockpit. Includes retractable landing gear and free-rolling wheels as well as two removable battle-damaged fuselage panels for pretend repair. Includes COBRA pilot WILD WEASEL.
