G.I. Joe[®] Hovercraft (Killer W.H.A.L.E.)

6005

The Hovercraft silently waits in ambush before taking over COBRA shores! Meanwhile, G.I. Joe CUTTER heads out on a reconnaissance mission with the recon sled and then scouts ahead on land with the special surveillance cycle. Twin elevating cannons, two rotating machine guns and six depth charges provide the firepower to stop COBRA advances. Four mid-range missiles can be fired from two pivoting missile launchers. Four casters make it "hover" on land. Floats in water and carries up to nine figures. Includes G.I. Joe pilot CUTTER. Other figures sold separately.
