## Micromaster™ Decepticon® Space Shuttle

Ages: 5 & Up

The Decepticons rocket into space with this sophisticated space shuttle and detachable jet pod. Combine the two and form an attack shuttle or convert them into a deadly command center. Includes interchangeable ramps that let kids connect this station to any other Micromaster station. Missiles, weapons and lots of interchangeable accessories are also included to add to the deep space excitement. Comes with Micromaster "Skystalker" that transforms into the shuttle commander.
