

5791 THE TRANSFORMERS® AUTOBOT® METROPLEX (CITY PLAYSET)

Ages: 6 & Up

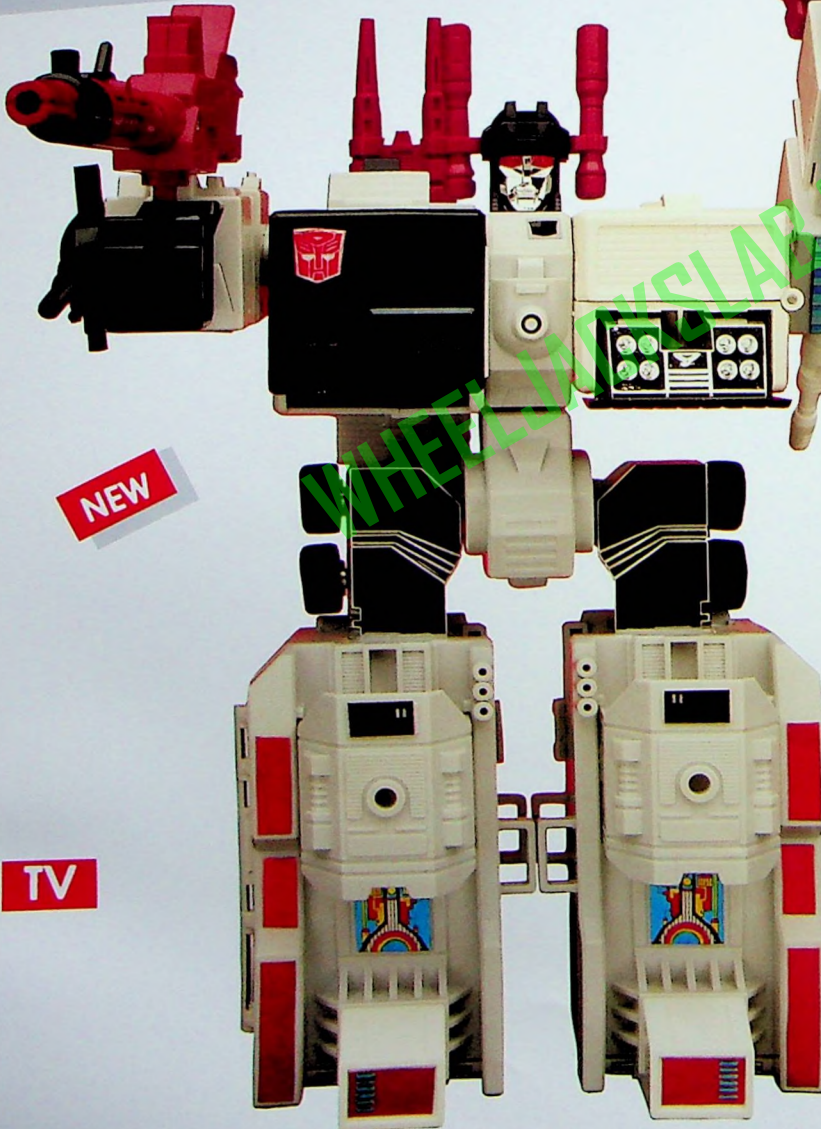

Metroplex, the new Autobot city land base can transform into an awesome battle station and roll into action! The towers transform into a separate robot and an attack tank. The small car, Scamper, changes into a robot that fits inside the Metroplex garage. Ramps and buildings disappear and weapons and cannons magically appear. And when super defense is needed, the battle station transforms into the giant robot Metroplex. Additional mini-team vehicles can be attached and large-team vehicles can be used to serve as repair bays and weapon launchers. Comes with attachable weapons, bio card, Tech Specs chart, decoder and plenty of accessories.
