Earth Core Scientist

Enter the world of darkness beneath the earth's crust with the Earth Corps, a group of dedicated scientists. Dr. Derek Bright, Auger, Herc Armstrong, and Liquidator lead the fight in their special exploration suits, protecting earth from the deadly Inhumanoids. Each scientist is packaged on a blister with poseable arms and legs and a removeable glowing helmet. Their exploration suits will be fully equipped with subterranean excavation devices such as grappling hooks, moveable claws, rotating augers and liquid firing backpacks. Assortment includes six of each style.
