Silver Mirage Motorcycle

6076

Joe® kicks up the kickstand, revs up the engine and the Silver Mirage Motorcycle roars into action! While taking off, another Joe jumps into the side car. It's the fastest land vehicle in the Mobile Force. This sleek, turbo cycle has a pivoting front fork, an aerodynamic body fairing to lower wind resistance and side-car mounted cannon. Includes missiles and grenades. Carries up to three figures, sold separately.
