AN AWESOME OFFENSIVE VEHICLE!

Ready to unleash its many weapons against all villains, it's the DELTA PROBE ONE. Our heroes will be fully prepared with an immobilizer bomb, stun rays, a radar unit and a villain catcher on the back end. The cockpit rotates a full 360°, with clicking sound. And the protective infra red shield is an open-and-close canopy that snaps shut. The vehicle holds one action figure, and colorful stickon labels give kids even more fun. Ages 4 and up. Holds most action figures, which are each sold separately.
