

**STAR WARS:
THE EMPIRE STRIKES BACK™ SLAVE I™**
BOBA FETT'S INCREDIBLE SPACECRAFT!

Evil looking! This exciting replica comes complete with a simulated frozen HAN SOLO that enters SLAVE I via the movable ramp. Remove the side panel to place BOBA FETT in his cockpit. Then adjust the seat between landing and flight positions with the remote hand control. During "take-off" the gravity-activated wings move freely, unless you

lock them into position with the "stop" button for "cruising." Protect SLAVE I with the clicking, movable laser cannons. SLAVE I holds at least three other Action Figures when the side panel is removed. Simulated frozen HAN SOLO included. No batteries needed. Action Figures sold separately. Ages 4 and up.
