POWERS**
COLLECTION

NEW!

BATCOPTER™ VEHICLE

With the **BATCOPTER**, **BATMAN** can chase down and capture even the most evasive evil-doers, even in the impassable mountains of **APOKOLIPS**. The cockpit's protective canopy swings open and snaps shut, holding **BATMAN** (or a friend) securely inside. The **BATCOPTER** has a grabbing device connected to its chopper blades that holds villains tightly. The blades spin

and the villains are twirled mercilessly. The nose piece is a spring loaded projectile that knocks villains down flat. And, the projectile serves as a launchable hook complete with a retractable winch, great for rescuing stray **SUPER POWERS**. Holds one action figure, sold separately, most will fit. Ages 4 and up.
