NOT A NICE PLACE TO VISIT

Heroes beware... the most diabolical and deadly den of doom is waiting for you... **DARKSEID'S TOWER OF DARKNESS!** A featured part of the new **SUPER POWERS** programming, **DARKSEID'S** home is designed to trap and torture even the most powerful of the **SUPER POWERS**. *The Omega Eyes* warn heroes of the multiple dangers:

- Two rotating cannons making ominous clicking sounds
- Mammoth clutching arms that close tight on approaching enemies
- A revolving front gate that turns into a jail cell
- A rotating body vice
- A headslamming elevator, attached to **DARKSEID'S** victory flag pole
- A capture jaw that chomps down on its captive, and then drops the victim into the lava pit below
- A trap door that opens into a spiked pit

DARKSEID, sitting on his mighty rock throne, watches with delight as our heroes are tormented. Will the **SUPER POWERS** escape **DARKSEID'S** clutches? Kids everywhere will have great fun as they decide. Action figures sold separately. Assembly required. Ages 4 and up.

The hand is quicker than the eye—**Darkseid™** can trap anyone with his capture arms!

DeSaad™ mans the control panel and spins **Batman™** in the torturous body vise! The elevator platform holds **Parademon™**, while the elevator snare takes **Wonder Woman®** for a ride!
