

STAR WARS DROIDS™

THE ADVENTURES OF R2-D2 AND C-3PO

STAR WARS® DROID™ COLLECTION IMPERIAL SIDE GUNNER™ VEHICLE

It's the ultimate vehicle for villains—especially those kids will see every week on the new *DROID* series. The *IMPERIAL SIDE GUNNER* vehicle is realistically detailed with a center-car cockpit that opens for placement of one action figure and a sidecar that accommodates another. On the vehicle side, there's a disguised cannon that, when manipu-

lated, causes the sidecar to swivel 180° horizontally and 360° vertically. This vehicle also emits clicking sounds and has laser cannons which add even more excitement to the adventure. Vehicle holds most *STAR WARS DROIDS* action figures. Ages 4 and up.

Action figures sold separately.
