

## STAR WARS® DROID™ COLLECTION ATL (Air To Land) INTERCEPTOR™ VEHICLE

Here's another great vehicle that *DROIDS* and their masters can use to patrol the galaxy. The *ATL INTERCEPTOR* is a *DROID* vehicle that—on first sight—looks very passive. But don't let that fool you. When a lever is activated in the back, wings pop down and side cannons appear on the sides, turning the *ATL*

*INTERCEPTOR* into an aggressive vehicle. One that would make even the meanest mobster run for cover. The front landing gear is also retractable. Vehicle holds most *STAR WARS DROID* action figures. For ages 4 and up.

Action figures sold separately.
