A-WING FIGHTER® TOY VEHICLE

Rebels can fly the unfriendly skies in the new **A-WING FIGHTER**—seen in *RETURN OF THE JEDI*. Kids place one **STAR WARS** Action Figure inside by opening the canopy which is operated by an action lever in the back. When the battle is over, the vehicle is ready for landing. Kids just activate the landing

gear with another lever. And because battles should be heard as well as seen, the **A-WING FIGHTER** features laser sounds and side cannons that click. Holds most action figures, each sold separately. Uses two "AA" alkaline batteries, not included. Ages 4 and up.
