SLEEK MOTORCYCLE BECOMES A ONE-MAN HELICOPTER!

There's more to the *MASK CONDOR* cycle than you think, because it converts to an armed one-man copter. The back wheel becomes a rear rotor, and the side stabilizer bars flip to become rotating chopper blades. And when the landing gear is dropped down, it reveals hidden skid lasers for added firepower!

CONDOR also comes with an articulated *BRAD TURNER* figure, a rock musician turned secret agent. He comes complete with his own special removable *HOCUS POCUS* mask for pretending to project false holographic images. Ages 4 and up.
