DUNE BUGGY BECOMES SUPERSONIC JET!

The M.A.S.K. FIREFLY can jump dunes with the best of them. But it may not land on the other side. With the flick of a switch, FIREFLY spreads its wings and takes off for the clouds. And if the wing-mounted prism beam launchers aren't enough to stop VENOM, the nose shield opens to reveal a super stun atomizer and more.

This buggy is full of fire. FIREFLY comes with articulated action figure, JULIO LOPEZ figure. His removable STREAMER mask immobilizes enemy forces by pretending to fire streams of glue, tar, grease and other liquids. Ages 4 and up.
