RACY SPORTS CAR BECOMES A FIGHTER JET!

The slick **MASK THUNDER HAWK** sports car is an awesome road machine ... but it's so much more! Gull-wing doors pop up for fight, and the rear stabilizer raises to reveal dual jet thrusters. But **THUNDER HAWK** has more than horsepower! It's got firepower, with retractable wing blasters and two stun bombs to immobilize the enemy.

THUNDER HAWK comes with an articulated **MATT TRAKKER** figure, the heroic leader of **MASK**. **MATT TRAKKER** also comes with his removable **SPECTRUM** mask, which allows for pretend hang gliding and use of microwaves and lasers. Ages 4 and up.
