TOUGH 4x4 BECOMES AN ARMORED ASSAULT VEHICLE!

Look out... the *VENOM* JACKHAMMER 4x4 has some ominous surprises! The armored hood shield slides back to reveal dual reciprocating cannons behind the drop-down front grill. For protection from the air, the back cap pops up to become an anti-aircraft turret that rotates 360°. And *VENOM* even has a separate mounted weapon to repel attackers!

JACKHAMMER also comes with an articulated *CLIFF DAGGER* figure, the feared demolitions expert of the *VENOM* team. His removable *TORCH* mask is always ready for pretending to fire its flame thrower at *M.A.S.K.* agents. Ages 4 and up.
