SLICK GTO BECOMES AN ARMORED TANK!

Don't think that the *VENOM STINGER* is out for just a Sunday drive. When the chrome air blower is pulled forward, the body sides slip 90° to reveal rugged tire treads. A windshield protector pops up and can be armed with a removable mortar stored in the trunk. The GTO is now an armored tank complete with retractable wheel guns and exhaust pipes that pivot to become sniper scope

cannons. If *M.A.S.K.* sneaks up from the rear, this tank is prepared with an extendable claw that can capture and manhandle any enemy agent. *STINGER* comes with an articulated *BRUNO SHEPPARD* figure, the real enforcer of the *VENOM* team. His removable *MAGNA-BEAM* mask pretends to emit a magnetic wave that will attract metal. Ages 4 and up.
