RHINO™ VEHICLE

HEAVY-DUTY TRACTOR RIG BECOMES MASK'S MOBILE DEFENSE UNIT!

A seemingly innocent tractor rig...but *ILLUSION IS THE ULTIMATE WEAPON*, because the MASK RHINO Rig is loaded with high-powered surprises! Release the power-ram front bumper to clear the way. Surprise unwanted enemy passengers by activating the ejection seat. Smokestacks convert to high-powered laser cannons with a 180°

firing radius, too. And the MASK RHINO is ready for even more battle action! The wind deflector becomes a rotating long-range radar scanner. Open the sleeper unit to reveal a sophisticated computer command center. Added firepower comes from the separate, detachable All-Terrain Vehicle, which has a bulletproof shield, dual suspension

and front-mounted vibration cannons. And the powerful multi-warhead missile can be launched to drive the VENOM SWITCHBLADE from the scene, leaving the MASK RHINO victorious again! RHINO comes with 2 articulated action figures: MATT TRAKKER, the heroic leader of MASK and BRUCE SATO, his right hand man and a
