SMURFS™ -A-POPPIN' TRAIN™

1816 SMURFS™-A-POPPIN' TRAIN™

It's a walker! It's a rider! It's the one toy that'll be a favorite from the time the toddler can stand until the time he's off and riding! A child can gain confidence by holding the bar and pushing the train along; later, it's a ride-on train featuring the SMURF™ gang. Balls pop up and down as the train moves, and they'll love the locomotive action wheels and whistle sounds! Even more fun — there's a storage compartment under the seat! This sturdy polyethylene ride-on is a proven best seller already!

- 2 toys in 1! Combines a walker and a rider that'll be a child's steady favorite!

- Child gains confidence by using the bar as a walker; later, child can hop on and ride the train!
- Popping balls, locomotive action wheels and whistle sound!
