

Knight Rider™ * Power Cycle™

1866

Fans of the hit NBC TV show KNIGHT RIDER™* will really go for this 16" cycle that captures all the excitement of the show! It features a handsome blow-molded Trans Am front hood and KNIGHT RIDER™* graphics, plus the extended handlebar and full instrument panel. And the spinout lever makes it extra exciting. Parents will like the sturdy safety-tested construction, sure-grip handlebars, nonslip pedals, and the 3-position seat back that "grows" with the child. The large shock absorber fork makes the ride more comfortable.
