

BMX Formula 3™ Power Cycle™

1833

Flashy motocross styling and decals will have young drivers charging in for this ride-on! Great styling and great action, featuring a number plate, big 16" direct drive front wheel, wide track rear wheels, taped handlebars, and a high 3-position adjustable seat back. Rugged polyethylene construction for seasons of fast fun.

Ages 3 to 8

Pack: 1 Weight: 12 lbs. Cube: 2.54'

G.I. Joe® Laser Defense Patrol 16" Power Cycle™

1834

This futuristic mobile laser gun is a favorite military machine for zapping the enemy. Up-to-the-minute military cycle styling features a handle-grip steering console that's complete with cross hair sight and twin laser cannons! Strong safety-tested polyethylene construction with big 16" direct drive front wheel, wide track rear wheels, nonslip pedals, and adjustable 3-position seat back. A motor racing sound adds to the battle action.

Ages 3 to 8

Pack: 1 Weight: 12.1 lbs. Cube: 2.54'
