KNIGHT RIDER™** POWER CYCLE™

Here's the 16" cycle with the powerful styling of a Trans Am! Little fans of the hit NBC TV show KNIGHT RIDER™** will appreciate the handsome blow-molded Trans Am front hood and KNIGHT RIDER™** graphics, plus the extended handlebar and instrument panel. The spin-out lever makes it extra exciting! Parents will like the sturdy, safety-tested construction, sure-grip handlebars, non-slip pedals, 3-position adjustable seat back that "grows" with the child, and large shock absorber fork for comfortable riding.

- The Power Cycle with a blow-molded Trans Am front hood!
